She sat alone in "their" booth.

Chapter 2 by owlwrite

She sat alone in "their" booth.

It was where they first met, where they exchanged their first words, where they agreed to go out for a cup of coffee, where they had their first kiss, where they said their 'I love you's'...

Where he left her.

She clutched her aching heart, her other hand gripping the edge of the table. How could he? How could he leave her when he said 'I love you'? How could he live knowing that he broke her heart?

He was her first and hopefully only.

But he wasn't now, was he?

She let a tear trickle down her cheek and she knew it.
